Your Destiny has been in existence since 2008. During these trying times, due to the Pandemic, school will not be school as usual! We offer before/afterschool and summer camp programs. We also provide OST when your child is not in school.

After Governor Cooper made the announcement that the Charlotte-Mecklenburg school system can choose to operate on the “B” schedule this fall, ***we can assist you when your child is not in school and with their virtual learning.***

Our hours of operation, 7:00 am – 6:00 pm. Students will be permitted to bring their own lunch to our center since we do provide refrigeration. We can accommodate 60 students from Pre-K – 7<sup>th</sup> grade at our 4500 sq. ft building.

This is what we offer:

- Our staff will assist students with their virtual learning and we have a secure internet system. We will provide a safe-loving environment and we make sure the students understand their grade level content
- Our facility has exceeded the CDC guidelines. Staff and students will have their temperatures taken twice a day and staff will be in protective gear
- The bathrooms will be cleaned every hour
- All students will be in masks,
- We have a sick room available in case a student get sick at the center
- Hand sanitizers will be at the entrance of every classroom
- No parent or guest will be permitted past the front door
- No child will be permitted in the center with any type of illness. If the child gets sick, parents will have to have a designated place on file where we can take the child if the parent cannot pick them up in 30 minutes.

**Call 980-207-0450 between the hours of 9:00 am—5:00 pm for more details**
